

# Aluminum One Piece E-Track 102 In. Extension Silver

**MODEL EB-102**

Loading Dock Equipment / Cargo Bars

## PRODUCT OVERVIEW

The e-track for the cargo bar keeps trailer contents in place to eliminate damaged goods. It has a simple mechanical lock that will not vibrate loose. It is constructed of square tubing with a wall construction that is lightweight yet extremely strong. Square articulating steel end plates feature pads for positive gripping action. The bars have end plates and fit between trailer walls.

## KEY FEATURES

- Keeps trailer contents in place to eliminate damaged goods
- Includes simple mechanical lock that will not vibrate loose
- Square tubing is lightweight yet extremely strong
- 7" telescoping end
