

# 304L Stainless Steel Electric Pallet Truck 24 Volt 4,400 Lb. Capacity Silver

**MODEL ULM-EPT-2745-44**

Stainless Steel Bronze / Stainless Steel Electric Pallet Truck

## PRODUCT OVERVIEW

The Stainless Steel electric pallet truck is an ideal supplement to food service and other sterile settings. The 304L stainless steel construction, including hydraulic cylinders and piston provides not only a strong structure for transferring heavy loads between work areas, but is also easily washable. An enclosed shelter for electronic components that is simple to access for general upkeep, while the humidity resistant electronics are great for working in difficult conditions. The adjustable height handle with built in horn helps maintain an ergonomic posture of the user during use. The emergency stop is perfectly located near the driving position of the unit for a rapid shut-down in the case of a crisis. During use the unit maneuvers efficiently...

## KEY FEATURES

- Stainless steel finish for easy cleaning
- Adjustable driving height
- Quick shut down in case of emergency
- Enclosed components for general safety
